

## Course Outline – TM1 Power Reporting in Excel

This one-day course is designed to refresh the skills you will have obtained from the TM1 End User training, and also to enhance your expertise in using TM1 with Microsoft Excel.

### Who should attend:

This course is intended for TM1 users who have completed End User training and wish to expand their TM1 skills further by learning how to get the most out of TM1 through reporting in Excel. Participants should be comfortable with browsing cubes and have a strong working knowledge of Excel functionality. Higher level Excel functions will be used, but not taught, in the class.
